[Contact us](#)

# IT Services

- Computer Rooms

Populate, Maintain, Document, Business Continuity, Relocations

- Network Operating center

Monitor, Technical support & Remedy of Computer, Communications, Surveillance & Building Environment Systems

- Converged Communications

Data, Voice, Security & Energy over Internet Protocol

# Computer Rooms

- Servers/Desktops
- Security Components
- Storage
- Routers
- Switches
- Racks
- UPS

# Network Operating Center

- IT Infrastructure & Networks
- Physical Security over IP
- Wireless Systems
- Help Desk Level I, II & III
- Outsourcing
- Monitoring & Maintenance Plans

# Converged Communications

- Data & Voice
- Surveillance Systems
- Access Control
- Asset Control

# Structured Cable Plants

- Copper and Fiber
- Built to EIA/TIA & BICSI Standards
- Documented & Certified

# Wireless Systems

- 802.1x – 2.4 MHz, 4.9 GHz, 5 GHz
- Secured & Self Healing Mesh
- Public safety – 4.9 GHz
- Free Space Optics, Microwave & Infrared

# Security Integration

- 🌀 Security Services
- 🌀 Physical Surveillance Systems
- 🌀 Door & Perimeter Access Control
- 🌀 Network Operating Center
- 🌀 Converged Communications
- 🌀 Public Safety Surveillance Systems
- 🌀 State Certified Security Installer

# Network Connectivity

- Data Centers
- Structured Cable Plants
- Broad Band over Power Line
- Wireless Systems

# Energy Management

- For Building Owners & Management Companies
- Building Automation Systems
- Monitor & Report HVAC, Boilers & Elevators
- NYSERDA Commercial Lighting Program
- Con Edison Green Team SBDI
- Con Edison Green Team Market Partner
- LEED Certification Performance
